Patron Feedback

- MY favorite place on campus
Thank you to everyone who works there for making it so wonderful.
- The library is my go-to study area since quiet, well-lit, and comfortable.
- HEC digital lab has been a valuable resources for me to research and print physical copies of written materials.
- The collaborative study spaces are perfect for group projects, and the online databases have been a goldmine for my research.
- The library keeps me motivated to study.
I have a 4.0 GPA because of this place.
- The extended hours at the library have been a game-changer for my late-night study sessions.
- The librarians are always so helpful, and the new tech resources are making research

Patron Feedback

- The staff of the library are helpful for checking out research books to helping print out research articles.
- The website is easy to use and I found more direct sources than if I used Google Scholar.
- The welcoming atmosphere, knowledgeable staff, and recent improvements are fantastic.
- The extensive book collection, and the library workshops have been integral to my academic journey.

LIBRARY

Future Aspirations

- Looking ahead, NTU Library has set ambitious yet achievable targets to further elevate its impact and relevance within the community.
- The library's primary focus is on expanding digital resources and services to meet the evolving needs of patrons, ensuring convenient access to a wealth of information.
- In the coming year, we aim to enhance our outreach efforts, targeting underserved populations and fostering a more inclusive and diverse library community.
- Collaborative partnerships with local schools, businesses, and cultural organizations will be strengthened to broaden our scope and enrich the range of programs and events offered.
- Embracing emerging technologies, NTU Library intends to establish itself as a hub for innovation and lifelong learning, with a particular emphasis on cultivating STEM education and digital literacy.
- As part of our commitment to sustainability, we aspire to implement green initiatives, making the library a model for environmental responsibility.
- Through these strategic targets, NTU Library is poised to not only meet but exceed the expectations of our patrons, ensuring the library remains a dynamic and essential resource for the community we serve.
