measures for improvement in the functioning of the textile sector in the country. The NTU rector emphasised that sustainable growth of textile industry was only possible by shifting to knowledge-based industry and identified the pivotal role of the National Textile University in this regard. He also briefed Mian Farrukh Habib on the current facilities and ongoing research at the university and suggested the dire need for establishment of dedicated campus for textiles keeping in view the current and future needs of the country. The MNA expressed his satisfaction over the working of the National Textile University and assured his full support to make the NTU a world class university.

MNA VISITS NTU: MNA Mian Farrukh Habib on Monday visited the National Textile University, Faisalabad.

NTU Rector Prof Dr Tanveer Hussain briefed him on the current status of the textile industry in the country and suggested some remedial measures. He said that the PTI government should take
